Head Teacher: Mr. Stephen Murphy

Friday 19<sup>th</sup> June, 2020

Dear Parent/ Carer,

Due to the recent increase in pupils attending our key worker provision, we are making some changes to how it is set up. Starting next week, your child will access provision in **the Year 2 classroom**. This will be a slightly smaller group than the one they are in now and will contain pupils from Key Stage 1 and Early Years.

Drop-off and collection times will be the same as they have been this week and will take place at the Key Stage 1 gate. The children in this group will use the area of the playground directly outside the Year 2 door and use one of the Year 2 toilets, otherwise the day will run similarly to how it usually does. Miss Barratt, Mrs Morgan, Miss Worgan and Mrs Chilvers will work with this group of pupils over the course of the week.

If you know that you will not need to take up a place at this provision, please let us know as soon as possible. We are approaching our full capacity in terms of space and we want to be able to offer as many children places at school as possible.

Kind regards,

Stephen Murphy  
Headteacher
