

Wednesday 2nd September, 2020

Dear Parents and Carers,

We are looking forward to seeing everyone tomorrow. You can see the entrances and exits from the school site on the map that will go out with this letter. Please note the direction of the lines into school. These signify where you should queue if you are early or if we have to manage the flow of people onto the site. There will be coned areas for drop off in the morning and collection later in the day. The cones will be spaced at 2 metres apart to remind you to adhere to social distancing.

Please can we ask if you have any concerns about your child's health or if they are showing any of the symptoms below, that you keep them home from school and notify us as quickly as you can. As per the Government's advice, you should not send your child into school if they have any of the following symptoms of Covid-19. The main symptoms of coronavirus are:

- **high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature);**
- **new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual);**
- **loss or change to your sense of smell or taste – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal.**

If your child or any member of your household have any of these symptoms, you should ensure they do not come to school. You must use the 111 online coronavirus service and report this to school as soon as practicably possible.

We really are looking forward to seeing you and the children. It has been a long time coming for many and we are ready to get cracking on learning, seeing friends and testing out all of the plans that we have put in place!

Kind regards,

A handwritten signature in black ink, appearing to read 'S Murphy'.
