

Thursday 22<sup>nd</sup> September, 2022

Dear parents and carers,

Here are a few updates from school.

### Sports Days

Our postponed summer sports days will be running over the next two weeks. Parents are invited to attend sessions involving their children. Session will take place on the MUGA. As Nursery and Reception are still settling in to life in school, we won't be running sports day sessions for those classes this time. The date and time for each session is shown in the table below.

	Wednesday 28 <sup>th</sup> September	October 5 <sup>th</sup> September
9:15 – 10:15 AM	Year 4	Year 1
10:30 – 11:30 AM	Year 5	Year 3
1:00 – 2:00 PM	Year 6	Year 2

### Classroom Open Mornings

Another date for your diary is Tuesday 11<sup>th</sup> October. We will be opening the classroom doors to parents at 8:45 AM until around 9:15 AM where your child can share some of their books and learning with you and you can get to meet the staff that work in the classroom. Straight afterwards, you are invited to a coffee morning in the school hall. This will be an informal session where you will get to meet other parents and members of the school leadership team in an informal setting.

### Uniform and PE Kit

We are trying to make a big effort to make uniform and PE kits look really smart to show that we are all ready for learning. I have been impressed so far by the children that have really taken up the challenge. PE kit is white t-shirt and black shorts, joggers or leggings. If you don't have a white PE t-shirt then a school polo shirt should be worn.

### Breakfast Club

We have seen increased numbers of children coming into breakfast club over the last couple of weeks. Please can you make sure that you book your children into breakfast club through Parent Pay so we can get the right ratio of staff to pupils in future.

## **Early Years Reading Workshop**

Nursery and Reception parents are invited to join the class on Monday 26<sup>th</sup> September from 8:45 AM to learn about how to support the most important early stages of your child's reading journey. Reading regularly at home is the single biggest things you can do to help your child succeed in school and later life. The Early years team look forward to seeing you.

Mr. Stephen Murphy
